

There was downfalling and upfalling  
Soaring moments and moments of density  
Ordinary moments and momentous moments  
A back wall tableau of hieroglyphic bodies  
A pause for breath  
Lines of horizontal bodies resting waiting  
A leap into open arms  
Slap crackle  
Circling and sustaining moves  
A risky moment here and there  
Backwards across the backs of many  
Downfalling  
Upfalling  
Suspended  
Rolling through infinite space
